

**EVERYTHING FOR
YOUR PLEASURE!**

APERITIVES

CUISINO WIEN

The Restaurant at Casino Wien.

For our chefs, using the highest quality of regional & seasonal delicacies is the most important thing. Steaks and fish are the focus, the desserts to die for.

And for the extra serving of adventure, there's nothing better after dinner than venturing a little game of Roulette, Black Jack or another casino game - as you wish; nothing's necessary but everything's possible.

REFRESHERS TO START

SPARKLING WINE WHITE OR ROSÉ	0,1 L	14
CHIMAY GRAND RESERVE <i>Belgian Beer</i>	1/8 L	3,20

ALLERGEN INFORMATION

On the previous pages all offered dishes are listed together with single letter abbreviations referring to the contained allergens in accordance with the "allergen information enactment 175" from July 10, 2014.

The following list includes all 14 allergens and their abbreviations:

A	Cereals containing gluten and products made from it
B	Shellfish and products made from it
C	Eggs from poultry and products made from it
D	Fish and products made from it (excluding fish gelatine)
E	Peanuts and products made from it
F	Soy beans and products made from it
G	Milk from mammals and milk products (including lactose)
H	Nuts of all kinds and products made from it
L	Celery/celeriac and products made from it
M	Mustard and products made from it
N	Sesame seeds and products made from it
O	Sulfur and sulfites
P	Lupines and products made from it
R	Mollusks like e.g. snails, mussels, squids, octopus, etc. and products made from it

In spite of all care exercised during the production of all dishes and with regard to labelling the individual dishes with their respective allergens, our guests are kindly requested to inform the service staff at the beginning of their meal about any allergies they might have.

Upon request, some dishes can possibly be produced omitting some allergenic ingredients.

** Due to the changing offer regarding our cover (e.g. spreads, condiments, oils, etc.) our guests are kindly asked to talk to the service staff about any possible changes of the contained allergens.*
