Participation in the Casino Innsbruck Black Jack event is possible with a buy-in of € 53,57** & € 6,43** With the buy-in, every guest gets the chance at a maximum of 1 re-buy:

1. Buy-In € 42,85** & € 5,15**

3. TOURNAMENT

The tournament consists of a maximum of 3 rounds and, depending on the number of players, semifinal and a final. The number of players and games is announced at the beginning of every round. The game is played at tables with 2-7 players. The semifinal begins as soon as the number of players falls below 9. The final follows as soon as the number of players falls below 4.

The aim of the tournament is to play all rounds (max. 3) either as one of the best placed or via rebuy to reach the semi-finals and finally qualify for the final.

Rounds:

- o Table with 2-7 players
- o Table with 7 or 6 players: 3 button rounds (21 or 18 games); the top 3 players with the highest chip count advance to the next qualifying round at no charge
- o Table with 5 or 4 players: 4 button rounds (20 or 16 games); the top 2 players with the highest chip count advance to the next qualifying round at no charge
- o Table with 3 or 2 players: 5 button rounds (15 or 10 games); the top player with the highest chip count advances to the next qualifying round charge

In the event of elimination, there is a chance at a re-buy (max. 3x), which enables participation in the next qualifying round.

The top players from the last qualifying round advance to a possible semifinal, while at the same time the right to another re-buy expires.

Semifinal:

The number of top players who advance per table as well as the number of button rounds are announced prior to the start of the game.

Final:

The number of button rounds is announced prior to the start of the game. The chip count after the final round determines placement.

4. BUY-IN, RE-BUY, NUMBER OF CHIPS

Every player receives chips worth € 6,000 for the buy-in as well as for every re-buy.

5. TIE IN CHIP LEVEL

If two or more top players have the same number of chips at the end of a round, 5 more games will be played with the players in question. If the players are still tied at the end, the winner will be decided by drawing lots. If the same situation occurs in the final, after the 5 games, individual games will be played until there is a result.

6. MAXIMUM, MINIMUM

The minimum bet is € 100, the maximum bet is € 6,000. Every bet in increments of € 100 between the minimum and maximum is possible.

7. BETS, BUTTON SEQUENCE, TIME

Every player bets only on his or her box; betting on other boxes is prohibited. A button that moves on clockwise by one box after every game indicates which player plays the last box. Every round starts with the button on the last box. The button shows the order the cards will be dealt and also the order of the players decisions.

The player sitting clockwise after the button is playing the first box and must place the first bet. Followed clockwise by the next player and so on. A player is not allowed to place a bet until the previous player has completed his or her turn. Bets placed out of this order are valid and cannot be changed. The bets must be placed with a single motion onto the box and any changes are prohibited.

Each player has 20 seconds to place his or her bet. If the player fails to do so, the tournament official will call "TIME" and a bet must be placed within the next minute. If no decision has been made after the "TIME" expires, the minimum bet must be placed. Each player is responsible for the total of his or her own bets. Players must not confer with fellow players or audience members.

8. ABSENCE, DELAY OF PLAYERS

If a player is absent at the beginning of a round, the minimum bet shall be drawn from his or her stock of chips for seven games. The box in question shall not contain any cards. If the player in question is still absent for the 8th game, his or her stock of chips shall be withdrawn, and he or she shall be eliminated from the current round. His or her

buy-in and any re-buys shall not be reimbursed. The same rule applies if a player leaves the table during a round. No other players may take his or her place to continue the game.

9. GENERAL

During the game, all players are required to have their chips clearly visible and stacked in front of them. The option of requesting an exact chip count shall only be offered 3 games before the end of a round. This is intended as a guideline for the players. Removal of tournament chips from the table, lending or gifting chips to other players is prohibited and shall result in immediate disqualification.

Changing of players during the tournament is prohibited.

The use of electronic devices of any kind is prohibited.

For the game procedure throughout the entire tournament, the Black Jack rules of Casinos Austria shall apply, with the exception of Bust Chance and C3, which will not be played at the Black Jack Shorty Tournament. 6 decks shall be used and mixed using a card shuffler.

The decisions of (tournament) management are final. Tournament management reserve the right to change procedures in the programme.
