Einschub für die Spiel Card / Member Card

- Insert the Spiel Card, with the arrow pointing upwards, into the card reader of the vending machine.
- Wait until the card is recognized by the machine (repeat the procedure if the machine does not react after about 10 seconds).
- Load the credit for the Spiel Card directly and conveniently at the machine.
- Enjoy the gaming experience.
- To pay out, simply pull out the card and wait until the display on the machine shows credit € 0.
- experience the other exciting slot machine games or withdraw the credit at the cashier.
- It‘s best to keep your personal Spiel Card for your next visit.
